

# A global leader in labor market analytics

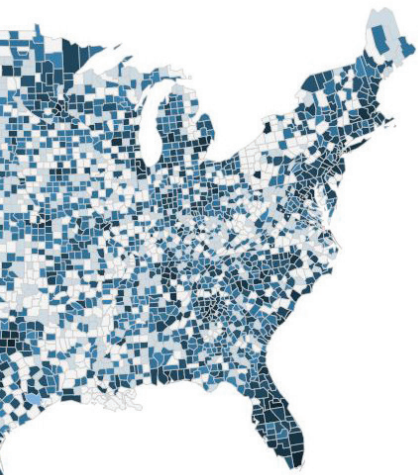

## ABOUT US

Emsi is a one-stop shop for labor market data, helping staffing firms and talent acquisition professionals find and recruit top performing talent. Our user-friendly tools are packed with compensation and competition data, skills, demographics, and more—making it easy for you to make talent decisions in record time.

## OUR DATA

Our labor market insights—trusted by some of the biggest names on the Fortune 500—cover 99% of the workforce down to the state, MSA, county, and ZIP Code levels in the U.S. We also offer global talent supply data for markets all over the world.

### Job postings

**10.6 million unique job postings** per month with filters by company, job title, skills, keywords, and more.

### Resumes

**106 million profiles** with filters by company, job title, industry, skills, and more.

### Labor and economic data

**18 billion data points** curated from dozens of government data sources. Updated quarterly.

### Compensation data

**40 million compensation observations** anchored in robust government sources.

## HOW IS EMSI DATA DELIVERED?

### Software

Access the most in-depth economic and workforce data available in one easy-to-use and easy-to-customize solution.

### Consulting

Our team of economists use Emsi's rich database and their expert knowledge to identify and recommend solutions to your needs.

### API

Pipe our data onto your own webpage for custom design and display.
